

## Neighbourhood Wireless Referral Program

We appreciate your choice of our network for broadband access and would like to encourage you to recommend us to your family, friends and neighbours.

We have developed a referral program where we will send you a \$20 Talk Wireless Inc. gift card for every new subscriber on our network as referred by you.

This gift card can be used at one of our locations in either Niagara Falls or St. Catharines.

### How to Receive the Gift Card:

1. Sign up for our free e-newsletter in the sign up box on our webpage [www.neighbourhoodwireless.com](http://www.neighbourhoodwireless.com) or through our support portal (this will be the primary channel of communication between Talk Wireless and referrers). Note\*\*\* Be sure to select Referral Program under the category “YOUR INTERESTS”
2. Refer a friend or family member to our service
3. Person you referred will then receive a form to pass onto you for completion.
4. Complete the Neighbourhood Wireless Referral Program Form and Submit it as directed
5. Receive a \$20 Talk Wireless Inc. gift card for each and every referral you give that is connected successfully to our network.

### Please Note!

Signing up for our free e-newsletter is one of the requirements in order to participate in the referral program. In order to receive the gift card, the person you refer cannot be someone we have already quoted.

***They must mention your full name when they call.***

When they are successfully connected on our network you will receive the gift card in the mail.

For any questions regarding your gift card please contact Gilles Marleau via phone or email.
